So, for the benefit of science and humanity itself, we need your cooperation for just a little longer.

Well, sorry but while you were sleeping, we did some work on your body. A

MAHORA  
MAHORABATTLE

"Saviors MAHORABATTLE" is a battle game to be played with dice.  
Playing by yourself is a little lonely, so  
if you can, try to get two people.

## ○あじびかた

- ① First, everyone selects a character from pages 68 and 98.
- ② Once the characters are selected, everyone roll the dice once.  
Whoever has the biggest number goes first.
- ③ Continue taking turns, attacking with the dice.  
If you reduce your opponents' to 0 HP, you win. Good luck!

26. Seen in the Hall

まほらば

# 

Engraved!  
MahaLOVER

A simple test to see how aware you are of the Mahoroba world. In chapter 26 (Seen in the Hall), when did you realize something was wrong? Use the table below to see where you stand!

What page?	Rank	Comments
Page 1	<b>ESPER</b>	Seriously, are you psychic?
Page 2	<b>MahaLOVER</b>	If you went "?" at Shirofuri-kun's actions, that's incredible. If you went "?" at Sayako-san's nose, that's incredible too.
Page 3	<b>Mahoroba PRINCIPAL</b>	If you thought Shirofuri-kun was acting strange, that's wonderful. Is it natural for Kazuo-chan to bring that to clean the garden is still up for debate.
Page 5	<b>Mahoroba ASSISTANT PRINCIPAL</b>	That was easy to spot, but some people may have wondered if Haruno-san actually had something like that. It might have been a little difficult.
Page 6	<b>Mahoroba TEACHER</b>	Isn't Momono-san a little small, ? And Tamara-chan is huge! If you thought that, I love you.
Page 10	<b>Mahoroba STUDENT</b>	"Was there ever something like that in the garden?" If you thought that, you're a nice guy. Or sexy lady. Those of you who noticed Shirofuri-kun's roundhouse are normal. Normally wonderful.
Page 12	<b>Mahoroba FUNKIE</b>	That is a rather rare scene. Though not at a premium. I was really hoping people would notice by now.
Page 14	<b>Mahoroba DROP OUT</b>	" <b>LOVE</b> what the hell Mahoroba went science fiction!" If you thought that, watch out for bad salespeople! Not everybody in the world is kind. Be careful!
Didn't realize until the end	<b>Mahoroba</b>	It's easy to confuse, but see that you do not confuse the "q" with the "a."

What is life?

Sometimes I thought about this.

There were days when I saw

In this colorful city I know

I was the only dull gray.

27. <sup>2073</sup>熱  
Fever

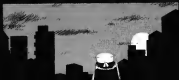

...ever  
since I  
was  
little...

I've been  
an  
exceptional  
child.

...faster  
than  
anyone  
else I  
knew.

I was able to  
pick up  
information  
fast...

...my  
"talent."

...that  
was...

...was what  
everyone  
praised and  
wanted.

That  
ability...

...there  
simply was  
nothing  
difficult.

To me,  
though...

...but the  
price for  
that...

Though  
that  
trait

...was that  
I never  
knew  
struggle or  
victory...

allowed  
me to do  
many  
different  
things...

...all the things  
that people were  
supposed to  
normally feel, I  
didn't...

Feelings like  
"fun," "sad,"  
"hard"

...was  
devoid  
of  
feeling.

...one  
might  
say my  
entire  
life...

Every day,  
taking classes  
that would be of  
no use to me in  
the real world...

Every day,  
taking  
whatever  
classes my  
parents  
picked for  
me.

...those  
days  
were  
boring.

I became  
a fourth  
grader.

the first  
half of my  
elementary  
school time  
was that  
same dull  
monotony.

What?

I wonder why...

1

It was two months after we became fourth graders.

It was black  
and really  
cute!

She never  
talked about  
anything  
prior writing.

It had no collar, no  
collar, no  
may, too ill

a strong

I wanted to show it to Tamar-chan.

When I petted it, it purred like it was happy...

I wanted to show it to Tamara-chan...

which I  
really  
did not  
understand

For  
some  
reason

But...

...there  
was no  
way I'd  
do that!

Usually...

At  
that  
time...

I  
wouldn't  
even  
consider  
it...

...so  
completely  
happy...

She  
looked...

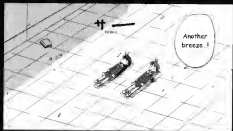

I just lied  
down next  
to her

I didn't  
think about  
it at all...

what  
am I  
doing...

...the gently  
pouring  
sunlight of  
the beginning  
of summer

The  
soft  
wind

that this  
would be so  
comfortable

I would  
have  
never  
thought

Tanami-  
chan?

There was  
nothing fun  
or  
interesting...

I concluded  
that, in the  
entire  
world...

...had only  
known  
what my  
parents  
showed  
me...

...was  
just  
me...

But  
that...

I thought  
I'd soon  
find it all...

By just  
raising my  
hand...

...that  
which I've  
been  
looking  
for...

...all  
this  
time...

...was so  
close  
by...

I don't know  
if I can make  
any good  
memories  
that way

Always  
living under  
someone  
else's  
rules

is  
large.

This  
world

happy and  
fun things  
I have not  
yet seen

And, in this  
world, there  
are still  
many

I  
want...

...with all  
the  
people I  
like...

...good  
things in  
this world  
we know.

to  
enjoy all  
of the...

That
